Homeschooling Books for Parents

Unschooled : Raising Curious, Well-Educated Children Outside the Conventional Classroom

by Kerry McDonald

In a compelling narrative that introduces historical and contemporary research on self-directed education, *Unschooled* also spotlights how a diverse group of individuals and organizations are

evolving an old schooling model of education. Educators who left public school classrooms discuss launching self-directed learning centers to allow young people's innate learning instincts to flourish, and entrepreneurs explore their disillusionment with the teach-and-test approach of traditional schooling.
